DEOPOSALS FOR MAIL BAG TAGS. POST OFFICE DEPARTMENT,) Sealed proposals will be received at this De-partment until noon on the 21st day of Decem-ber, 1876, for furnishing, by contract, Printed Wooden Tags in such quantities and at such wooden rags in such quantities and at such times as may be required and ordered during one year from the first day of January, 1877; the quantity of such Tags to be furnished being two hundred thousand, more or less, as shall be re-quired and ordered during that period. Such Tags are to be of two kinds—narrow and The narrow Tags are to be made of suitably

The narrow Tags are to be made of suitably hard wood, seasoned, and of a light color, in rectangular strips, each six and a half inches long, one inch wide, and a half inch thick, and having a circular hole three eights of an inch in diameter bered through it, at a point one inch from one end. Each of these Tags is to have printed and slightly indented thereon in suitably large letters, the name of such post office and State or of such railway post office, or of such route agency, as may be specified on schedules which will accompany each order, and also have printed thereon, in small letters, a direction for its return to such office as will be specified on such schedules. The printed side of each Tag is to have a smooth surface. de Tags are to be similar to the othe

in all respects excepting the width, which must be two inches instead of one, and excepting the printing, which will consist of such brief direction, in larger letters as will be required, and particularly specified in the schodules, for mails sent to foreign countries. Samples of the Tags hiereby advertised for can be obtained on application, by letter, to the Second Assistant Postmaster General.

All the Tags All the Tags contracted for are to be delivered

All the Tags contracted for are to be delivered at this Department in the city of Washington, tied in bundles of fifty of each inscription, and at the risk and expense of the contractor, and they must be inspected and found to conform to the samples and the orders of the Department before they will be accepted or paid for.

Every proposal must specify unconditionally the price of each Tag offered to be furnished.

The proposals received will be opened, read and verified in this Department at noon the 21st day of December, 1876; and a decision thereon will be made within three days thereafter.

The Postmaster General hereby reserves the right to reject any or all of the proposals received under this advertisement, if, in his judgment, the interests of the service may thereby be promoted.

interests of the service may thereby be promoted.

The accepted bidder must enter into contract,
and with two sureties, satisfactory to the Postmaster General, be bound in the penalty of four
thousand dollars for the faithful performance of
the contract; and for a failure on the part of the
contractor to comply with the contract he and his
sureties shall be liable for the forfeiture of the
full sum of four thousand dollars as liquidisted
damages, to be sued for in the name of the United States in an action of dobt in any court having jurisdiction thereof. This contract and obligation must be duly signed and executed within
ten days after the receipt thereof from this Department. partment.

Every proposal must be accompanied with a bond in the penalty of two thousand dollars, executed by the bidder and two sureties, (certified to be sufficient by the postmaster where they reside,) conditioned for the bidder's entering into

contract, as hereinbefore specified, in case his proposal be accepted by the Postmaster General. Blank forms of proposal and bond will be furnished on application to the Second Assistant Postmaster General; and all bidders are required to comform thereto in submitting their bids under this advertisement. this advertisement.

Every proposal should be inclosed in a sealed envelope, indorsed "Proposals for Mail Bag Tags," and be addressed to the "Second Assistant Postmaster General, Washington, D. C."

When he invited her to mary him, she gared into his face and tenderly inquired if he knew what a costly thing he had asked for—a woman's life, a woman's wondrous love. Four mouth after the wedding he climbed through the scuttle on to the roof, and when a neighbor came with a ladder to take him down, he put it to him, as a fellow creature, whether it wam't a man's duty to run when a woman rose up after him with a hot tea-kettle in her hand.

-From Gibraltar we have a report of a round reformater we have a report of a very interesting match between eighteen men of the marine artillery with a Gatling run and a similar number of men from the rifle brigade with rifles. They formed at 500 yards from the targets, representing a section of men, and then advancing 300 yards opened fre. The result was greatly in favor of the riflemen, who fired 233 rounds, making 184 hits, while the Gatling gun, which lammed the vise, fired 307 rounds for only sixty-nine hits.

—In all policies of life insurance these, among a host of other questions, occur: "Age of father, if living?" "Age of mother, if living?" -An interesting discovery has just been —An interesting discovery has just been made in the town of Sens, (Yonne.) In excavating under a house a piece of polywhroms messaid of great beauty was found. It has a design frequently seen on Erruscan vases—two stags face to face, separated by a vase in which grown a plant, the leaves of which they are enting. Some shrubs stand out clearly at the background in gray. The whole is inclosed in a triple border. If set a garland of leaves; then a kind of ornamentation in undulated lines, and finally, a wide band of foliage and fruit, the whole harmonicously biended. The work, of pure style and admirable execution, is evidently Roman, but everything seems to indicate that it issued from the hands of some of those Greeian artists who, after the ruin of Athena and the destruction of Corinth, hun-
